

## November Tasting – 2005 Burgundy

The Rochester (NY) AWS Chapter met November 15, 2008 at the Mountain Rise Church (Fairport, NY) for a tasting of the 2005 Burgundy Vintage. Forty-six members and guests were present to enjoy some of the wines available from this vintage. This is an excellent vintage and the number of wines available is decreasing as cellar owners add these wines to their collections. A map of the vineyards and villages of Burgundy was used to show the variety of wines chosen. Even though some of the wines are no longer available locally, it was agreed that the tasting was a great opportunity to sample wines of this outstanding vintage.

2005 Louis Latour Marsannay		\$22
