# F. Oliver's Tasting Seminar!

F. OLIVER'S

Please join us at our February meeting for a very special tasting of wine and food paired with delicious flavored vinegars and olive oils from a Finger Lakes area business, F. Oliver's Oils and Vinegars.

We are fortunate to have as our guest speaker Penelope Pankow, founder and owner of F. Oliver's. After working at Kodak for over 23 years, Penny earned her Masters in Hospitality Management from Cornell and embarked on an exciting second career. Seeking a venue to bring together her love of food and cooking, business experience, and entrepreneurial spirit, Ms. Pankow founded F. Oliver's Oils and Vinegars in late 2009.

F. Oliver's now has an online store and four locations in the Finger Lakes region, including Canandaigua, Rochester, Ithaca, and Skaneateles, featuring ultra-premium olive oils, vinegars, spices, and local specialty food products. F. Oliver's shops are a popular destination for seasoned and not-so-seasoned cooks and for both personal and business gift selections.

Did you know that that Saturday, February 18th is "National Drink Wine Day?"

How could you miss this tasting? Make plans now to attend!

[Download the flyer here.](#)
