**Notes on the tasting:** Young Sommer Winery tasting and "Jan Park" picnic, June 23 2013, Hosted by Herm and Wilma Young, and Jan Klapetzky. 25 members and guests attended. The weather was very warm and sunny. We started with a visit to Young Sommer Winery, a beautiful property and tasting room. We tasted most of their wines. Some of the highlights were: Riesling, Traminette Semi-Dry, Marquette(a red hybrid), Cherrytram Semi-Dry(a blend of Cherry and Traminette), Cherry Breeze(100% Montmorency Cherries), which was outstanding, and Two-of-a-Kind(100% Estate Bartlett Pear).

We then had a picnic(under a tent)and a tour of "Jan Park" a manicured property which included gardens and a pond. We had grilled hamburgers, salads, and many interesting wines to try. Gary Cox brought a mystery wine which Judy Kelly guessed correctly as a Traminette. We ended with a visit to Jan's wine cellar and laboratory.
